Rationale

From September 2013 each school received extra sports funding through Sports Premium. In our school we intend to use it to improve confidence amongst staff in the delivery of high quality PE lessons across the school and provide competitive sporting opportunities outside of the school curriculum including opportunities for swimming and changing lifestyle habits. We feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future learning and physical development of children within our school.

Curriculum focus of PE and Sport grant spending 2018-19

£7000 (383% of spend) contribution towards the employment of a member of staff for the delivery of PE within school and the delivery of out of hours school clubs / events.

£400 (2% of spend) to run Bikeability courses for pupils
