Dear Families,

As we come to the end of this half term I want to thank you all for your continued support and engagement over these very tough past few weeks – I know it has been a real challenge for you all – well done!

I have thoroughly enjoyed my first few weeks as Headteacher and although we still don't have a clear pathway back to normal school life, I know we will get there eventually and I look forward to the day I can meet you and get to know you all properly.

The school staff have worked tirelessly this half term to make the best provision for all children whilst at the same time respecting how difficult it has been for many families juggling commitments and responsibilities. I am in awe of the passion, dedication and constantly renewed energy and drive of my colleagues here at Parklee. The way the staff support each other during these challenging times and the unwavering care shown for the children and families is something very special and I am proud to now be a part of this. The staff here really are the best - how lucky I am to lead and be part of such a fantastic team!

If your child experiences any of the COVID symptoms next week please inform us via Class Dojos so that we may notify anyone who has been in recent close contact. Monday 22nd February is an INSET day but I will see some of you back on Tuesday 23rd February and some of you online that week. As always we will keep you informed of any developments or Government updates as and when we receive them.

I hope to have news of some free pizza making kits available for families from Morrison's so please keep an eye on Class Dojos for further information next week too!

I wish you all a restful week of half term before we gather ourselves up once again and press forward into the warmer sunnier days of Spring!

With very best wishes

Mrs D Roper - Headteacher
